# BUILDING FOR LIFE

Building for Life is the national standard for well-designed homes and neighbourhoods. It is led by CABI and the Home Builders Federation.

**Peter Sandover** is a member of the CABI and Creating Excellence Enabling Panels; he has provided strategic support for many sustainable urban extensions and growth areas in South West England. Projects include, the Clay Country Eco-Town, Weston super Mare, South West Bristol, South Bristol, Bath, and Newton Abbot. Work includes guidance on development principles, facilitating stakeholder workshops, and preparation of masterplanning briefs. Peter is also an accredited Building for Life assessor providing training, guidance and assessments for local authorities, private clients and the Homes and Communities Agency (under Kickstart)
